Monday: Reaching Seekers Online

The digital world is full of people searching for meaning. Pray for those engaging with seekers through social media, websites and virtual spaces. Ask God to open hearts and guide them to Jesus.

Tuesday: Churches in Every Community

Many communities still lack a local church. Pray for church planters working globally to establish places of worship and discipleship. Ask God to strengthen leaders and multiply their impact.

Wednesday: Equipping Global Believers

Jesus Film Project® helps equip the global church to share the gospel. Pray for more equipment, staff and resources to empower believers to reach their own communities with the good news.

Thursday: Creating Gospel Content

Powerful stories can bridge cultural gaps. Pray for teams developing new short films and content to connect with people in Europe, the Middle East, Japan and beyond. Ask God to inspire creativity and clarity.

Friday: Collaborating for the Mission

Pray for humanitarian aid ministries offering vital aid in the name of Jesus. Pray that these partnerships with partners like World Concern and Unto® will open doors to hear the gospel. Pray for Jesus Film Project as we work with these partners. Ask for more creative ideas and unity.

Saturday: Speaking Every Heart Language

People connect deeply with the gospel in their own language. Pray for the safety of translators, national recording teams and partners traveling to nations where the gospel is restricted to translate the *JESUS* film. Ask God to use these translations to reach new generations.

Sunday: Broadcasting to the Nations

Films like *JESUS* are broadcast worldwide on holidays and throughout the year. Pray for more opportunities to broadcast the gospel to as many as 250 million people. Christmastime is a key season for these broadcasts. Ask that many would hear, believe and follow Christ.
